AERO 450 Diesel with compressor

AERO 450 X Diesel with compressor and loading bucket

AERO 450 XS Diesel with compressor, loading bucket and scraping shovel

MODEL	**AERO450**	**AERO450X**
Diesel engine	Perkins 404C-22 4cyl. 38 kw – 51 hp	
Air compressor	Screw type 5,0 m3/h at 6 bar	
Max output *	4,6 m3	6 m3
Max delivery distance *	180 m	

Max delivery height *	50 m	
Filling height		
Max grain size	16 mm	
Vessel capacity	260 lt	
Dimensions LxWxH	422x150x135 cm	
Weight	1320 kg	1550 kg

* Depends on material type, quality, composition and consistency, diameter of conveying hose and conveying height.
